## 2<sup>nd</sup> International Conference on Advanced Mechatronics, Intelligent Manufacture, and Industrial Automation

*Disruptive and Robust Innovation for Mechatronics Technology*

The 2017 International Conference on Advanced Mechatronics, Intelligent Manufacture, and Industrial Automation (ICAMIMIA 2017) will be held in Surabaya, Indonesia on October 12-14 2017. The conference is organized by PUI-PT Mechatronics and Industrial Automation-Research Center, Institut Teknologi Sepuluh Nopember (PUI-PT MIA-RC ITS). ICAMIMIA 2017 provides a very good opportunity for researchers and practitioners from academia, government representatives, and industrial related fields to present their original research results as well as exchange and dissemination of innovative and practical development experiences. We cordially invite all related engineers and scientists to attend and contribute to ICAMIMIA 2017.

### Keynote Speakers

### Important Dates

Extended abstract submission deadline	<del>6 August 2017</del> <b>31 August 2017</b>
Notification of acceptance	<b>8 September 2017</b>
Camera-ready submission	<b>24 September 2017</b>
Early bird registration	<b>15 September 2017</b>
Late/regular registration deadline	<b>12 October 2017</b>

### Topics of Interest

General areas of interest for submission include, but are not limited to:

- Mechatronics, Robotics, Automation
- Manufacture, instrumentation, and measurement
- Control and Modeling
- Information and computational engineering
- Design and system
- Material
- Energy

### Paper Submission

The official language of the conference is English. Writing full paper must follow manuscript format based on IEEE manuscript template. Please read the guidelines for more details about submission in <http://icamimia.org/submission>

All papers must be submitted electronically through EDAS:
